MESSAGE FROM THE PRINCIPAL

There are some moments which simply must be celebrated and enjoyed!

The High School Girls' Aquatics Festival last Friday was one of these. Our Fatima School community wonderfully rallied together to host a very happy and meticulously planned event. We had parents, teachers, school girls, ground staff and swimmers all play a role in an event which made us all proud. I thank Mrs Lynch for master-minding the organisation of this prestigious gala, where we placed second behind St Stithian's from Johannesburg, and first among the KZN schools. (See the full report under *Senior School Sport*)

Our Primary School also won the Durban North A gala yesterday. Well done to our school team and teachers!

Mrs D Horsfall
Principal
