

Dynamic Parent Involvement

Fatima families are encouraged to get actively involved in the school life.

The Fatima Parent Teachers' Association and the Fatima Parent Committee consist of volunteers from the Fatima community and enable parents to network, socialise and assist with fund raising events and other school functions.

These two groups co-exist and support each other whilst functioning independently with very specific roles within the Fatima arena.

Fatima PTA

The Fatima PTA arranges social functions where parents, staff and learners can interact with one another whilst raising funds to constantly improve and beautify our school.

The annual Fatima Golf Day and the Fatima PTA Legacy Club are just two of the very popular PTA initiatives.

Fatima Parent Committee

The Parent Committee provide support by assisting with the arrangements, décor and food for school functions as well as by assisting with some administrative tasks when necessary. The committee meets regularly to review the function diary and provide social interaction for parents.
