## PRINCIPAL'S MESSAGE

It has been lovely to welcome back our girls to another year here at Fatima. The cheerful, vibey atmosphere created by our prefects and mentors on Wednesday morning continued to reverberate through the hallways and classrooms for the rest of the week as we settled back into the routines and rhythms of a school day. I am hopeful that, as parents, we are all finding our feet again too with the making of school lunches, organising calendars filled with the varied activities our girls participate in, and setting alarms once more for early morning wake-ups.

There is something deeply grounding about returning to routine. Research consistently shows that predictable daily structures support emotional regulation, reduce anxiety, and improve focus and academic engagement in children and adolescents. Clear routines provide a sense of safety and stability, allowing young people to approach challenges with greater confidence and resilience. As families re-establish regular sleep patterns, homework times, sport practices, and co-curricular commitments, these repeated rhythms quietly nurture wellbeing and create the conditions for growth.

As we move into the year ahead, our theme **COURAGE, FORWARD** invites us to step into each day with faith and confidence. In Joshua 1:9 we are reminded: "Be strong and courageous. Do not be frightened; do not be discouraged, for the Lord your God is with you wherever you go." Courage is not always found in grand gestures; often it is revealed in steady perseverance, in choosing faith over fear, and in taking the next right step even when the way ahead feels uncertain. As a Fatima family, we walk this year trusting that God goes before us, walks beside us, and holds us firmly, and so, with courage, we move forward together.

# FAITH AND FLOURISH

## The Fragrance of the Cross

In the Gospel of John, Mary anoints the feet of Jesus with costly perfume, and we are told that “the house was filled with the fragrance of the perfume.” It is a tender moment of love and worship, but it also reveals something deeper about how intentional our God is. In Jewish tradition, anointing was a sign of welcome and honour — and the oil Mary uses, pure nard, was extravagantly costly, often reserved for kings.

John tells us this happens six days before Passover, just before Jesus begins His journey to the cross. Long before suffering begins, God ensures His Son is anointed and marked as King. As Jesus walked toward betrayal and death, He carried with Him the fragrance of that anointing. Everyone He encountered — the broken, the fearful, even the soldiers — would be met with the scent of the Chosen One. God does the same for us and for our daughters. We are not sent into the challenges of life unmarked or alone. The crosses we carry may stretch us, but they also remind us that we are chosen, strengthened, and deeply loved. As Scripture tells us, “We are the aroma of Christ to God” (2 Corinthians 2:15). May we carry that fragrance with courage and faith into all that lies ahead this year. Love and faith,

Miss T. Nanak

## GRADE 7 LEADERSHIP FOR 2026

We were delighted to announce our Grade 7 leadership roles this morning. It was a special moment as we celebrated each girl's willingness to step forward into leadership.

Our Grade 7s had a fantastic bonding session early last week! Working in teams with their Matric mentors, the girls tackled fun and challenging activities that encouraged communication, self-discovery, and connection.

A wonderful start to building friendships and teamwork.
