Welcome to the Inaugural Our Lady of Fatima Primary School Coastal Hockey Tournament

Every great tradition has a starting whistle – and this is ours.

Welcome to the very first OLOF Primary School Coastal Hockey Tournament. Built on the momentum of our U13 hockey festivals, this new event brings together talented young players from across KwaZulu-Natal and beyond for what promises to be an exciting and competitive few days of hockey.

From the first push-back to the final whistle, we look forward to seeing skill, determination, and true sportsmanship on display. This is a chance for players to test themselves, play with pride for their schools, and experience the energy and camaraderie that make primary school sport so special.

While the competition will be fierce, the real victories lie in the friendships formed, the lessons learned, and the joy of the game itself.

At Our Lady of Fatima, we believe sport is about more than just results. It's about building resilience, teamwork, respect, and leadership – values that we hope this tournament celebrates.

A sincere thank you to all the schools, coaches, officials, parents, sponsors, and volunteers who have made this tournament possible. A very special word of appreciation goes to the Fatima Sports Department for their hard work, dedication, and passion in bringing this event to life.

We are proud to host you and excited to see what this first chapter will become in the years ahead.

Play hard, play fair, and enjoy every moment.

TOURNAMENT RULES

All FIH rules apply.

The tournament will be utilising the Match Pulse app to assist us with scores, fixtures and match logs throughout the tournament.

All matches will be 4 x 12-minutes a chakka and will be running time.

All games will start on time as per the fixture list. Any team that DOES NOT take the field on time WILL forfeit the match.

As teams finish, they must vacate the technical areas as quickly as possible to facilitate quick change-overs between matches.

Umpires will be provided for every match.

All matches are controlled by the technical table.

Any disputes will be dealt with by the Tournament Director (Jacinta Wedderburn).

The first round of matches will be a round robin format, played within 2 pools of 5 teams each. Points for the round robin matches are as follows:

3 points for a win; 1 point for a draw; Zero points for a loss and if a team wins by 3 goals or more they will be awarded a bonus point.

The final position in each pool will be in the order of the team finishing with the most points to the team with least points.

Each school will play a crossover playoff game against the school that finished in the same position in the other pool.

In the event of teams finishing on the same number of points, the following criteria will be used: Goal difference, goals for, goals against, the result of the match between the two teams. In the case of two teams finishing on the same number of points in the pool section: the better score line against the highest placed teams in their group shall be considered. If teams are still tied after this, we will do a coin toss to decide final placements.

Prize Giving on Saturday will be on Riverside Astro Turf 1 from 14h00-14h20 (Compulsory).

PARTICIPATING GIRLS SCHOOLS

POOL A

POOL B

Our Lady of Fatima
